

01. Instal·lació Entorno de Desarrollo de Android

Xavi Lara - Profesor I.Sabadell xlara@ies-sabadell.cat

Institut Sabadell

1.1.1. Descarrega de l'Instalador d'Android Studio

Anem a la direcció developer.android.com/studio i descarreguem la última versió d'Android Studio.

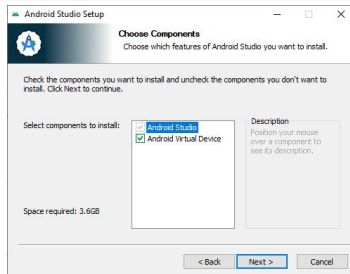

The image shows a screenshot of the Android Studio download page on the developer.android.com website. The page features the Android Studio logo and the text "Android Studio provides the fastest tools for building apps on every device". There are two main buttons: "DOWNLOAD ANDROID STUDIO" and "PREVIEW". Below these buttons, the download options are listed: "3.5 for Windows 64-bit (710 MB)", "3.5 RC 3 (729 MB)", and "3.0 Canary 10 (765 MB)".

On the right side of the screenshot, there is a window titled "Descargar Android Studio" (Download Android Studio). This window displays the terms and conditions for downloading the software. It includes sections for "Uso de las API de Android" (Use of the Android API) and "Revisión de este Acuerdo de licencia" (Review of this License Agreement). At the bottom of the window, there is a checkbox labeled "He leído y acepto los términos y condiciones" (I have read and accept the terms and conditions), which is checked. Below the checkbox, there is a button labeled "Descargar" (Download).

At the bottom right of the screenshot, there is a small window titled "android-studio-ide-191.5791312-windows.exe". This window shows the download progress of the installer file. The progress bar is at 100%, and the status is "Descarga terminada" (Download completed).

1.1.2. Execució d' l'Instal·lador d'Android Studio

Iniciem la instal·lació d'Android Studio.

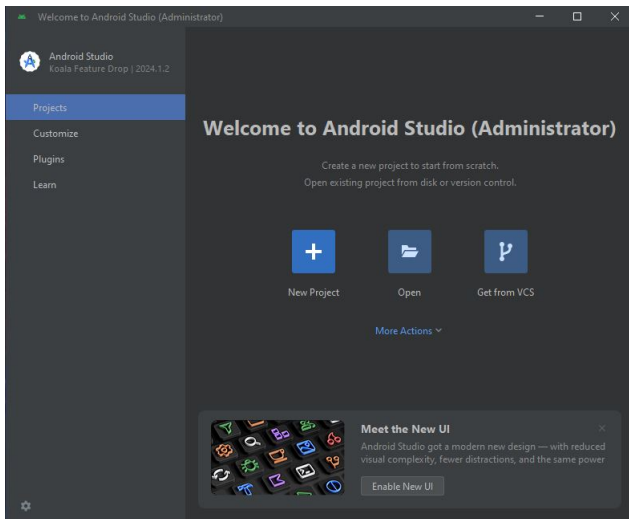

1.1.3. Finalització de l'Instal·lació d'Android Studio

Finalitzem l'instal·lació d'Android Studio e inicialitzem.

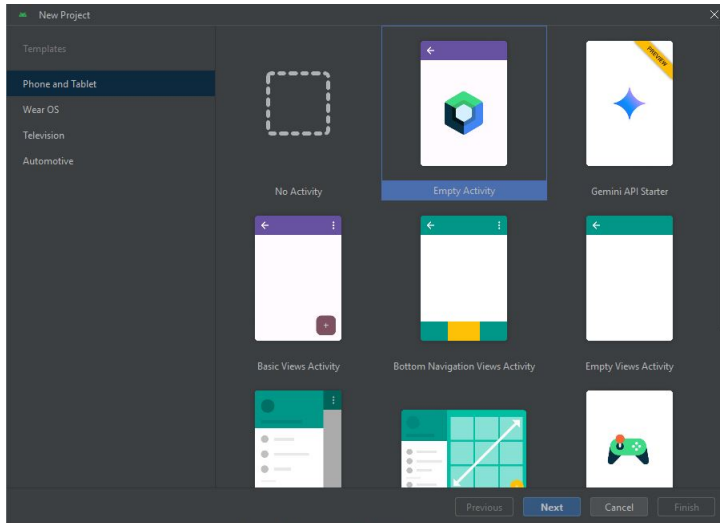

2.1.1. El Menú d'Inici de Android Studio.

Al iniciar Android Studio s'ens obria el menú de projectes.

2.1.2. Comencem Nou Projecte

Seleccionem un nou projecte amb la plantilla Empty Activity.

2.1.3. Configuració del Nou Projecte

Aquest projecte serà en llenguatge Kotlin.

New Project

Empty Activity

Create a new empty activity with Jetpack Compose

Name: My Application

Package name: com.example.myapplication

Save location: C:\Users\Administrador\AndroidStudioProjects\MyApplication2

Minimum SDK: API 24 ("Nougat"; Android 7.0)

*! Your app will run on approximately 97.4% of devices.
